### **Registration & Financials**

#### **Registration**

#### **Important information**

**British Council / Léargas paperwork**

**Payment of course fee**

## Registration

Should you wish to reserve a place on one of our courses (**see our Brochures for course dates**), please send an e-mail to [immersions@lfee.net](mailto:immersions@lfee.net) with your name, address, contact number and the dates of the course you would like to attend.

We will reply as soon as possible and let you know how to apply for Erasmus+ funding.

## Important Information

Travel arrangements to Salignac should only be made **once you have been notified** by the British Council/Léargas that you have been awarded funding for the course AND **once you have had confirmation** from LFEE Europe that the course you registered for is going ahead.

It is the participant's responsibility to book and pay for their travel to France and to organise their own travel insurance (the travel insurance cost can be paid from your grant money). See [Travel section](#) below for more details.

Please note that if you withdraw from the course anytime during 4 weeks prior to the start date, we reserve the right to charge a cancellation fee of 20% of the total fee payable to LFEE Europe. This fee is to cover the cost of accommodation cancellation charges. If you withdraw due to medical reasons, this fee is not applicable.

## British Council/Léargas paperwork

Upon notification of a successful application for Erasmus+ funding, British Council/ Léargas will forward a **Grant Agreement** document to your School. This document should be signed by your Headteacher and returned to British Council/Léargas. Payment to your School of the first 70% of the funding will follow thereafter. Travel bookings can be paid for using this first tranche of funding (N.B. for Summer Courses: You may not always receive the first 70% in time to book your travel, and you/your school will have to decide on alternative financial arrangements)

Once you have returned from the course, you/your School will be required to complete a **Final Evaluation Report** and submit it to British Council/Léargas. This will then enable the final 30% of the funding to be paid to the School.

Timescales of receiving the Grant Agreement document, funding and submitting the Final Evaluation Report vary between National Agencies. Please make sure that you read all communication and documentation you receive from British Council/Léargas carefully and that you sign/send back any documents that they require to complete the grant allocation process.

## Payment of course fee

For participants attending a Summer Course, LFEE Europe will send you an Invoice addressed to your School after you have attended the course. This is for the cost of your course tuition fee, accommodation and subsistence. This Invoice only becomes payable once your School has received payment from British Council/Léargas. A receipt will be issued upon payment. For all other courses, you will receive an Invoice together with your Confirmation Paperwork and the same conditions apply as above.
