Aims of “Learning and Teaching English through CLIL and soft-CLIL” courses:

- To develop and consolidate participants’ knowledge of the English language
- To explore strategies for extending learners’ language skills through Interdisciplinary activities
- To increase participants’ cultural awareness of Spain/UK
- To develop new skills for language teaching and transferability across subject areas
- To explore efficient and innovative use of ICT tools

Format:

*Each day of the course will be divided into sections focusing on ***Methodological Approaches**, ***Practical Content** and ***Cultural Experiences**. Participants will develop a range of language teaching skills, strategies and activities across these sessions which will culminate in the development of a short play and performance at the end of the week.*

+ Lots and lots of practical ideas, games and activities for the classroom

It would be useful to “bring your own device” (laptop, ipad, smartphone or tablet) to the course for note taking, group work, ICT sessions, presentations, etc., but this is not compulsory.

If bringing your own device, please try to download the apps that we will be using during your week prior to coming on the course.

A list of apps can be found on our shared Google Drive folder (link emailed approx. one month before your course starts).
