Objectives of the training:

- Discover the roles and responsibilities within the Spanish Education System, from Government to educational establishments
- Explore, in detail, the monitoring and evaluating processes of schools.
- Explore how, nationally and locally, Spain ensures a quality education in its Primary and Secondary schools.
- Visit Primary and Secondary schools to observe and to discuss with school leaders, teachers and pupils how they ensure that there is quality provision for all students in their schools
- Reflect on how the Spanish model can inform the school monitoring processes of each participant's region/country of origin, as well as their own individual work practices.
