

## DIPS: Developing International Projects for Schools Brussels, 2024

DIPS is a unique Professional Development training course organised by LFEE Europe and Interacting+ in collaboration with the European Association of Training Providers. It is a highlight in the year for International Education professionals and attracts 100+ participants from all over Europe and across all educational sectors. DIPS addresses core aspects of a successful internationalisation strategy using the Erasmus+ programme. Each year, we work with a central theme connecting with Erasmus+ priorities and offer a wide variety of learning experiences, from plenary to workshops and peer-lead exchanges of inspiring practices. Participants are able to choose their workshops throughout the week to suit their needs, interests and level of expertise.

At **#DIPS24** our guiding themes will be:

**Erasmus+ as a driver for Inclusion, Diversity and Digital transformation.**

**“Bring Your Own Partners”!** Participants are encouraged to invite their international colleagues to attend DIPS. Workshops and networking events will be organised to support collaboration between new and existing partners.

**Who is it for?** All International Education Professionals including Nursery, Primary and Secondary Teachers, Managers and Coordinators of International Projects (mainstream and vocational schools).

**#DIPS24 will take place from:**

**Sunday 20 October - Saturday 26 October 2024**
