# July 2025

# **Inclusion, Health & Wellbeing in Education**

6<sup>th</sup>-13<sup>th</sup> July 2025  
13<sup>th</sup>-20<sup>th</sup> July 2025

This training course connects with the research and outputs of the **Inschool2 Key Action 3** project. It includes a balance of formal presentations by education **experts and participative workshops** as well as a chance for participants to share good practice with colleagues and reflect on their own professional practices. Delegates will deepen their knowledge and understanding of inclusive education policy, practice and culture and enhance their skills for working inclusively in their own teaching environment. In addition, participants will reflect on how to enhance cooperation within the school community (parents, students, school staff) and with a wider spectrum of education stakeholders and how to address the diversity of learning needs. **This course will increase the confidence and motivation of teachers to implement inclusive pedagogies.**

# Supercharge Your Teaching With ChatGPT and AI

**6<sup>th</sup>-13<sup>th</sup> July 2025**

This course introduces an array of amazing **AI tools designed to supercharge your teaching** at all levels. You'll master hands-free interactions with voice control, streamline your communications with preset prompts, and create captivating, interactive activities for your students. Learn to harness AI for effortless lesson planning, content creation, and student assessments. Dive into tools that offer sharp, concise answers to complex questions and generate quick video summaries. Develop skills in crafting effective AI prompts and explore

advanced techniques for using large language models in the classroom. Discover how to create customised educational chatbots tailored to your students' needs, transforming the way they interact with learning materials. Additionally, tools that transform text into speech make materials accessible for all students, and automate the transcription of video and audio recordings for easy review. These **AI innovations will revolutionise your teaching, creating a more dynamic, inclusive, and efficient learning environment.**

# English Language and Culture Development

These courses offer just the right balance of **language skills development** and improving participants' expertise in the **pedagogy of language teaching**. You will be fully immersed in the English language and Irish culture, gaining enthusiasm and invaluable knowledge to take back to your target audience.

**Our methodology is practical and dynamic: teachers learn by doing!**

# Drama and Language Learning & Teaching

**6<sup>th</sup>-13<sup>th</sup> July 2025**

**13<sup>th</sup>-20<sup>th</sup> July 2025**

**What makes our courses stand out from others** is that they are developed and run by drama practitioners with proven **international experience of bringing theatre to schools**. We offer step-by-step solutions to applying drama and communication techniques to classroom management, while developing teachers' personal confidence in the process. A strong group dynamic within a "safe" environment allows teachers to put themselves in the position of their students and try out new techniques. On our courses, teachers have a **unique opportunity to learn together, to play together, to laugh together and to have fun speaking in English**.

# **Organising Quality Pupil Mobilities within Erasmus+**

At the heart of the Erasmus programme is the **learning and enrichment which comes from travelling and hosting**. Successful pupil mobilities can not only build lifelong friendships they can help sustain cultures of exchange which go beyond the expectations of specific projects. Our course is designed and delivered by experts in implementation and evaluation.

**Pupil mobility is a key element of the school internationalisation process.** Organising quality learning periods abroad within the framework of the Erasmus+ programme requires a detailed and precise execution of tasks in which all the agents involved intervene. **In this course, we will establish methodologies to organise quality pupil mobilities in each school, in accordance with the quality standards of the Erasmus+ program, whether they are group mobilities or individual, short or long-term, mobilities.**

Cultural activities in Galway are organised during the week. However, optional cultural excursions are not included.

**Funding for all our courses is available through the Erasmus+ Programme. Places are allocated on a first come first served basis.**

Interacting+ Ireland and LFEE Europe have been designing tailor-made teacher training courses in the UK, Ireland, Spain and around the world for more than 20 years. Since then, a growing community of teachers have brought activities and processes from their training to classroom practice. We are internationally recognised leaders in the field of Education and Language Teaching and Learning and in the ways that process drama can enhance learning. We have led on numerous projects of cooperation and innovation under the Erasmus+ KA2 and KA3 programmes.

**InterActing+ and LFEE Europe run courses throughout the year, including Learning for Sustainability, Learning and Teaching English, French, Spanish or German through CLIL, Drama and Innovative pedagogy.
