Developing International Projects for School Education

DIPS (Developing International Projects for School Education) is a unique Professional Development training course organised by LFEE Europe and Interacting+ in collaboration with the European Association of Training Providers. It is a highlight in the year for International Education professionals and attracts 100+ participants from all over Europe and across all educational sectors. DIPS addresses core aspects of a successful internationalisation strategy using the Erasmus+ programme. Each year, we work with a central theme connecting with Erasmus+ priorities and offer a wide variety of learning experiences, from plenary to workshops and peer-lead exchanges of inspiring practices. Participants are able to choose their workshops throughout the week to suit their needs, interests and level of expertise.

At #DIPS25 our guiding theme will be:

Change Management in International School Contexts

Developing International Projects for Vocational Education and Training

DIPS for Vocational Education and Training (DIPS-VET) is a unique Professional Development training course organised by LFEE Europe and Interacting+ in collaboration with the European Association of Training Providers. It is tailored for Vocational Education and Training (VET) professionals (including L5) across Europe and addresses the core aspects of a successful internationalisation strategy using the Erasmus+ programme. DIPS-VET runs alongside DIPS for School Education and provides a dynamic space for over 100 participants to learn, collaborate, and share best practices in the field of VET education. With a focus on themes relevant to Erasmus+ priorities, DIPS-VET offers a variety of learning experiences, from plenary sessions to workshops and peer-led exchanges. Participants can choose workshops suited to their specific needs and expertise levels.

At #DIPSVET25, our guiding theme will be:

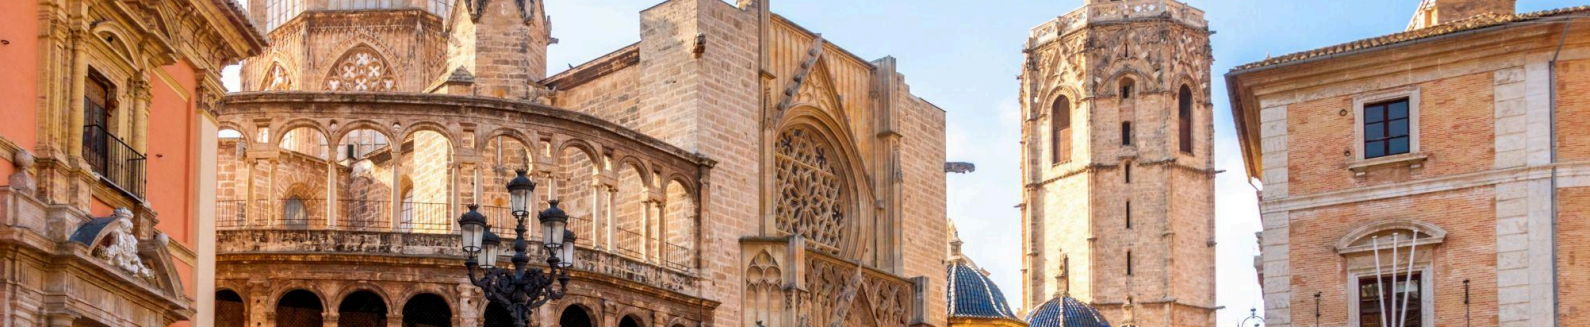

Addressing the specific challenges to Internationalisation in VET Education

Inclusion, Health and Wellbeing in Education

This training course connects with the research and outputs of the Inschool2 Key Action 3 project. It includes a balance of formal presentations by education experts and participative workshops, as well as a chance for participants to share good practice with colleagues and reflect on their own professional practices.

Objectives of our “Inclusion, Health and Wellbeing in Education” training activity:

- To deepen knowledge and understanding of inclusive education policy, practice & culture
- To suggest ways to promote inclusive culture in the classroom
- To enhance the skills of teachers working inclusively in schools
- To understand and to address the diversity of learning needs in a classroom
- To give participants tools to work on collective problem sharing and solving
- To enhance cooperation within the school community (parents, students, school staff) and with a wider spectrum of education stakeholders

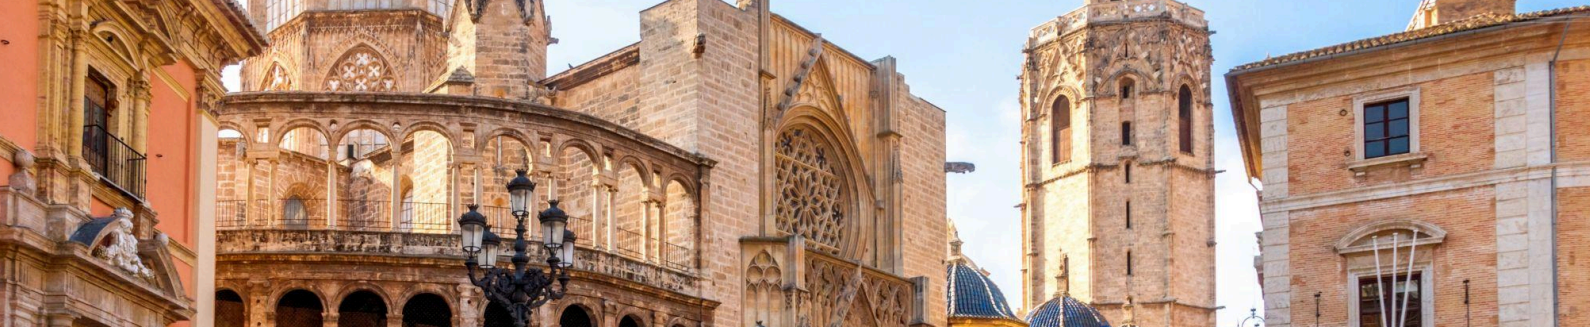

- To increase the confidence and motivation of teachers to implement inclusive pedagogies
- To explore principles of Inclusion, Health and Wellbeing within the host country's Education System

English Language and Culture Development

Enjoy a fun and immersive language-learning experience in Ireland! These courses offer just the right balance of language skills development and improving participants' expertise in the pedagogy of language teaching. You will be fully immersed in the English language and Irish culture, gaining enthusiasm and invaluable knowledge to take back to your target audience. Our methodology is practical and dynamic: teachers learn by doing!

Aims of our “English Language and Culture Development” training course:

- To update participants' English language skills through formal and informal conversation, grammar, speaking, listening, reading and writing activities
- To enhance participants' language learning and teaching methodology
- To develop cultural awareness and understanding of Ireland/the British Isles
- To promote the exchange of teaching practices and develop ideas for use in the Classroom
- To enhance participants' professional development and encourage them to reflect on personal practice

About us

Interacting+ Ireland and **LFEE Europe** have been designing tailor-made teacher training courses in the UK, Ireland, Spain and around the world for more than 20 years. Since then, a growing community of teachers have brought activities and processes from their training to classroom practice. We are internationally recognised leaders in the field of Education and Language Teaching and Learning and in the ways that process drama can enhance learning. We have led on numerous projects of cooperation and innovation under the Erasmus+ KA2 and KA3 programmes.
