

## NEW! LEADERSHIP IN EDUCATION COURSE

Professional Development Training Opportunity  
within Erasmus+

### English Language and Leadership in Education

Location: Galway, Ireland  
Duration: 6 days training / 8 days mobility  
Dates: 16 - 23 May 2026  
Host organisation: Interacting+  
OID: E10347185

This course combines professional English language development with key themes in educational leadership. Participants will strengthen their English for professional communication while exploring leadership within teacher learning, the Irish education system, and successful approaches to teacher progression. Through cultural immersion, dialogue, and collaborative tasks, they will deepen their understanding of Ireland, and enhance their leadership communication skills.

#### English Language and Leadership in Education course objectives:

- Strengthen participants' general and professional English through speaking, listening, reading and writing activities tailored to leadership and educational contexts.
- Build confidence in using English for leadership tasks such as presenting, chairing meetings, giving feedback, and engaging in professional dialogue.
- Deepen understanding of the Irish education system and explore key themes such as teacher development, progression, and successful leadership practices.
- Develop intercultural awareness of Ireland and the wider British Isles, linking language development with cultural insights relevant to school and system leadership.
- Promote professional reflection and exchange, enabling leaders to share challenges, compare practices, and develop new approaches for their institutions.
- Support the creation of international partnerships by enhancing communication skills, cultural competence, and knowledge of Erasmus+ opportunities.

## About us

**LFEE Europe, Act España and Interacting+ (members of nuedu.network)** have been designing tailor-made teacher training courses under the Erasmus+ KA1 programme for more than 20 years. Since then, a growing community of teachers have brought activities and processes from their training to classroom practice. We are internationally recognised leaders in the field of Education and Language Teaching and Learning and in the ways that process drama can enhance learning. We have also led on numerous projects of cooperation and innovation under the Erasmus+ KA2 and KA3 programmes.
